"RIDE OF A LIFETIME"

Dedicated to Blue Ridge Hospice

Hospice RN, **Tammy Shoremount**, will be participating as a Core Rider in the upcoming ***Best of America by Horseback*** trail ride from Mexico, across America, and ending in Canada. This 1500 mile ride, traveling through eight states and touching three countries, will be filmed by ***Best of America by Horseback*** television series.

Tammy would like to dedicate this "once in a lifetime" ride to the many patients and families served by Blue Ridge Hospice, and will be accepting pledges for her participation. All pledge proceeds will directly benefit Blue Ridge Hospice.

Tammy will be riding "Rocky," a four-year-old Rocky Mountain Horse.

If you would like to support Blue Ridge Hospice through a donation or pledge to this event, please complete the information below.
